

**Protein Preparation  
Crystallization Spreadsheet**

– Please Fill Out With as Much Detail and Submit with Sample

(1) Name:	(2) Date:
(3) Organism:	(4) Seq. ID:
(5) Construct:	(6) Cleaved?:
(7) Buffer Components:	
(8) Concentration & how was it calc?	(9) Concentration Method:
(10) Expression Host:	(11) Expression Quality:
(12) Expression Conditions:	
(13) Purification Steps & Storage	
(14) Protein Has Seen What Chemicals During Purification:	
(15) Suggested Substrates/Inhibitors & Binding Affinities:	
(16) Added INFO	(17) SDS or Native Protein Gel
